

370 Truckmount

Top-selling truckmount with smaller footprint than other truckmounts, hotter water and more vacuum than the competition. Clean carpets, upholstery, hard surfaces – even do flood extraction – this versatile machine does it all. Plus, nanotech Cerakote ceramic coating on exhaust components reduces radiant heat by more than 30% to protect components and extend truckmount life. (If you're in California and need a CARB-compliant truckmount, the Sapphire Scientific [Peak 500](#) is the best truckmount for your needs.)

FEATURES

- **Smallest cubic size in the industry:** Requires 50% less cubic space than other competitive models, freeing up precious van space
- **Thermostatic control:** Allows complete temperature control up to 250° F | 121° C
- **Longer belt life:** Unique powered through-frame cooling system directs air over drive belts, extending belt lifespan
- **Intuitive control panel** simplifies operation
- **Last-step chemical injection** ensures peak performance from water pump system
- **One of the most rigid frames ever built** reduces vibration and increases reliability
- **Quiet low vibration operation:** Kawasaki power plant and Eurus blower combine for reduced vibration and sound over previous models.
- **Save water and chemicals!** A patent-pending heat diverter keeps the blower cool. Sapphire truckmounts never need to bypass fresh water to the waste tank.

SPECIFICATIONS

- **Power plant:** 23 HP Kawasaki FH680 23 HP air cooled OHV industrial gasoline engine
- **Vacuum pump:** Eurus ZG 4006 tri-lobe positive displacement blower manufactured to Legend Brands specifications
- **Solution pump:** General HTXS1813S with an electric clutch operating up to 1500 psi and up to 3.4 GPM at 1478 RPM
- **Chemical injection system:** Last step injection
- **Frame construction:** 0.125 in. × 2 in. powder-coated aluminum box tubing
- **Frame finish:** Corrosion-resistant powder coated
- **Belt cooling:** 100 CFM through-frame air injection system
- **Heat exchanger:** Single stage finned tube coil
- **Dimensions:** Console (W × H × D): 16 × 38 × 45 in. | 41 × 97 × 114 cm

SIZES ▪ OPTIONS

- **106265 (72-370)**: 370 with 90 gal. / 341 L waste tank
- **106568 (72-370HC)**: 370 with 120 gal. / 454 L waste tank.
