## BIO ENZYME DECONTAMINANT

Deodorizer, Digester, Cleaner.

Bio Enzyme Decontaminant contains enzymes, surfactants, fragrance, bacteria, and an abundance of special odor counteractants. This formula will neutralize urine, breakdown and digest contaminants, remove urine stains, and permanently eliminates organic odors.

### DIRECTIONS

This unique formulation will work on almost all urine damage. Extreme cases, usually as a result of months of neglect, can be treated with additional steps.

- Inspect surface to be treated with a UV light or other urine detection device to ensure all affected areas are located.
- Test for colorfastness or dye stability in an inconspicuous area prior to application.
- Shake gallon or mix pails and drums before use as bacteria and enzymes have tendency to settle to the bottom of the container.
- Dilute 1 to 4 up to 1 to 8 with lukewarm water in pump or electric sprayer or injection system. If using a truckmount with a Hydro-Force Injection Sprayer, adjust machine to lowest heat setting.
- For large or heavily contaminated areas, product may be mixed in a bucket and applied directly to affected area.
- For best results, solution must come in contact with carpet, backing, pad, or any other affected area. Odor modification is immediate. Standard dwell time for most situations is only 15-20 minutes. For extreme situations, increase up to 1 hour. Avoid over-wetting water sensitive surfaces.
- For best results, flush affected areas thoroughly with Water Claw Injection Tool (Part # AC016INJ).
- Clean affected area as normal if needed after treatment.
- Bio Enzyme Decontaminant may be injected with a syringe at the 1:4 dilution after cleaning to assist with any lingering odors at pad level.

In extreme cases, it may be necessary to apply Bio Enzyme Decontaminant more heavily and allow for a longer dwell time. This dwell time enables the enzymes and surfactants to break down stains and contaminants for better bacterial action and for more thorough flushing. The more time and/or more solution, the better the results. Flush affected areas thoroughly with Water Claw Injection Tool (Part # AC016INJ) and clean as needed.

### INGREDIENT DISCLOSURE

Water, Surfactant Blend NJTS#753159-01, Polymer NJTS#58-2380661-5001, Polyaspartic Acid Sodium Salt, Tetrasodium Iminodisuccinate, Propanediol, Zinc Sulfate, Polymer NJTS#58-2380661-5019, Sodium Styrene/MA Copolymer, Cocamidopropyl Betaine, Protease Enzyme, Amylase Enzyme, Cellulase Enzyme, Lipase Enzyme, Potassium Phosphate, Dipotassium Phosphate, Diammonium EDTA, C12-16 Alcohols Ethoxylated, Benzisothiazolinone, Bacillus Subtilis, Bacillus Licheniforms, Bacillus Amyloliquefaciens, Bacillus Megaterium, Amyl Acetate, p-Tolualdehyde, Sodium Sulfate, Isoamyl Butyrate, Vanillin, Anisaldehyde, Benzyl Acetate. Contains fragrance allergen(s).

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's liability for any and all losses or damages resulting from any cause whatsoever shall in no event exceed the purchase price of this product, with respect to which losses or damages are claimed. Before using, the user shall determine the suitability of this product for its intended use, and user assumes all risk and liability whatsoever in connection therewith. Go to [www.groomindustries.com/sds](http://www.groomindustries.com/sds) for additional safety, regulatory and liability information.

### WARNING!

Keep out of reach of children.

### HAZARD STATEMENTS:

Causes skin irritation. Causes eye damage

### PRECAUTIONARY STATEMENTS:

Do not breathe dust/fume/gas/mist/vapors/spray.

Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Store locked up. Dispose of contents/container to an approved waste disposal plant.

### ATENCIÓN!

Mantener fuera del alcance de los niños.

### INDICACIONES DE PELIGRO:

Provoca irritación cutánea. Provoca irritación ocular grave.

### CONSEJOS DE PRUDENCIA:

Lavarse la cara, las manos y la piel concienzudamente tras la manipulación. Usar guantes/ropa de protección/equipo de protección para los ojos/la cara.

### EN CASO DE CONTACTO CON LOS OJOS:

Aclarar cuidadosamente con agua durante varios minutos. Quitar las lentes de contacto, si lleva y resulta fácil. Seguir aclarando. Si la irritación ocular persiste: consultar a un médico. EN CASO DE CONTACTO CON LA PIEL: Lavar con agua y jabón abundantes. En caso de irritación cutánea: consultar a un médico. Quitarse las prendas contaminadas y lavarlas antes de volver a usarlas.

### AVERTISSEMENT!

Tenir hors de portée des enfants.

### MENTIONS DE DANGER:

Provoque une irritation cutanée. Provoque une sévère irritation des yeux.

### CONSEILS DE PRUDENCE:

Se laver le visage, les mains et toute surface de peau exposée soigneusement après manipulation. Porter des gants de protection/des vêtements de protection/un équipement de protection des yeux/du visage. EN CAS DE CONTACT AVEC LES YEUX: rincer avec précaution à l'eau pendant plusieurs minutes. Enlever les lentilles de contact si la victime en porte et si elles peuvent être facilement enlevées. Continuer à rincer. Si l'irritation oculaire persiste: Consulter un médecin. EN CAS DE CONTACT AVEC LA PEAU : laver abondamment à l'eau et au savon. En cas d'irritation cutanée: Consulter un médecin. Enlever les vêtements contaminés et les laver avant réutilisation.

**WARNING:** WARNING: This product can expose you to chemicals including Ethylene Oxide and Styrene, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)
