Nature's Tears EyeMist is a new Paradigm for dry irritated eyes.

Nature's Tears is a new biocompatible convenience that can be applied any time, any place without lifting the eyelid or disrupting most activities. Nature's Tears EyeMist contains no chemicals or preservatives to irritate eyes or surrounding sensitive areas. The unique compressed-air micron-mist delivery (patent pending) is sterile, propellant free and completely safe, even under unsanitary conditions.

Hydrotherapy in a Bottle for all skin types including infants and children

Nature's Mist® Face of the Water™ relieves dry, irritated skin and is the only product that delivers exactly what skin requires most: real moisture (not lotions or creams) - pure, all natural and pH balanced for maximum absorption. Whether you are a man or woman and regardless of age or skin type, Nature's Mist instantly penetrates, hydrates, tones, nourishes and cleanses, while rejuvenating faded cosmetic colors.

Exploring Life in Water™

Nature's Mist®

Face of the Water™

Watch for our "Face of the Water" TV infomercial, airing worldwide on CORNERSTONE, TLN, FAITH, SAFE, SHINE and many other outstanding cable channels.

- Featuring -

Sharon Kleyne, President & Founder

**Skin dryness is caused by loss of natural water.
Only all-natural water can beneficially replace the skin's lost moisture.**

**Water-for-the-skin must be free from chemicals, preservatives
and heavy minerals that could leave a drying film on skin.**

Nature's Mist® - Face of the Water™

The New Discovery:

Bio-Logic Aqua® tissue-culture grade water

- * All-natural water
- * Slightly acidic (non-alkaline) 6.4 pH
- * All-natural moisture
- * No preservatives, chemicals or heavy minerals
- * Beneficially absorbed into the skin's deep layers with no drying film

Rejuvenates cosmetic colors ~ With Just a Mist™
