

BASEBOARD FINISH REMOVER

HEAVY DUTY BASEBOARD CLEANER AND WAX STRIPPER

BASEBOARD FINISH REMOVER is a heavy-duty, fast-acting baseboard cleaner that removes floor finish build-up with maximum efficiency. BASEBOARD FINISH REMOVER forms a gel that clings to vertical surfaces such as baseboards, metal doors and frames. The inverted valve makes for easy dispensing!

DIRECTIONS: Spray onto surface to be cleaned holding can upside down 6 to 10 inches from surface. Apply a thin uniform coat of BASEBOARD FINISH REMOVER, do not overspray. Leave on surface for 3 to 5 minutes, then scrub with a wet cleansing sponge or a similar item. Rinse thoroughly with clean water. Always test this product on an inconspicuous area to be cleaned before using. Wipe off any over spray immediately from furniture, walls and other surfaces.

HIGHLIGHTS

- Aggressive wax stripper
- Fast-acting
- Forms a clinging gel

TYPICAL PROPERTIES

- Specific Gravity: 1.02
- pH: 12.5
- Viscosity: 215 cps
- Odor: Mild Solvent
- Appearance: Hazy, colorless to slight yellow
- Propellant: Hydrocarbon
- Spray Characteristics: Fan blade spray, inverted valve
- Net Weight: 18 ounces

SAFETY CAUTIONS

Keep out of reach of children. Read label and SDS before use. Causes severe skin burns and eye damage. Contains gas under pressure; may explode if heated. May cause damage to organs (liver and kidneys) through prolonged or repeated exposure. May be corrosive to metals.

Refer to SDS for additional safety information.
