INDEX

Surface Shields offers many products that are environmentally friendly. Look for these symbols to know that a product is recyclable or reusable.

= Recyclable product

= Reusable product

CARPET PROTECTION

CARPET SHIELD®

SELF-ADHESIVE FILM

Carpet Shield is a clear, self-adhering protective film for all types of carpeting. Carpet Shield's non-slip surface is a special blend of polyethylene which is highly resistant to tears or punctures. This product is ideal during remodeling, painting and moving. It also minimizes clean-up time and damage claims. Carpet Shield is available in a variety of sizes.

Model # CS2450W
24" x 50' Rolls
12 Pack

Model # CS24200L
24" x 200' Roll
1 Per Pack

SURFACE SLED

GLIDERS FOR CARPETING

Moving heavy objects across carpeting is a breeze with Surface Sleds. Constructed with an extra smooth bottom, these furniture sliders will glide across the floor with ease. The thick foam top also insures that the item being moved will not slip off the Surface Sled. These handy sleds are built to last with a nearly unbreakable material.

QUICK SHIELD™

SELF-ADHESIVE FILM

The perfect tool to protect carpeting along trim and baseboards. Quick Shield is easy to use and peels off easily, without leaving any residue. Use it to hold down tarps or on its own. It's the most convenient solution to paint drips, spills, construction dust, dirt and moisture.

HARD SURFACE PROTECTION

BUILDER BOARD™

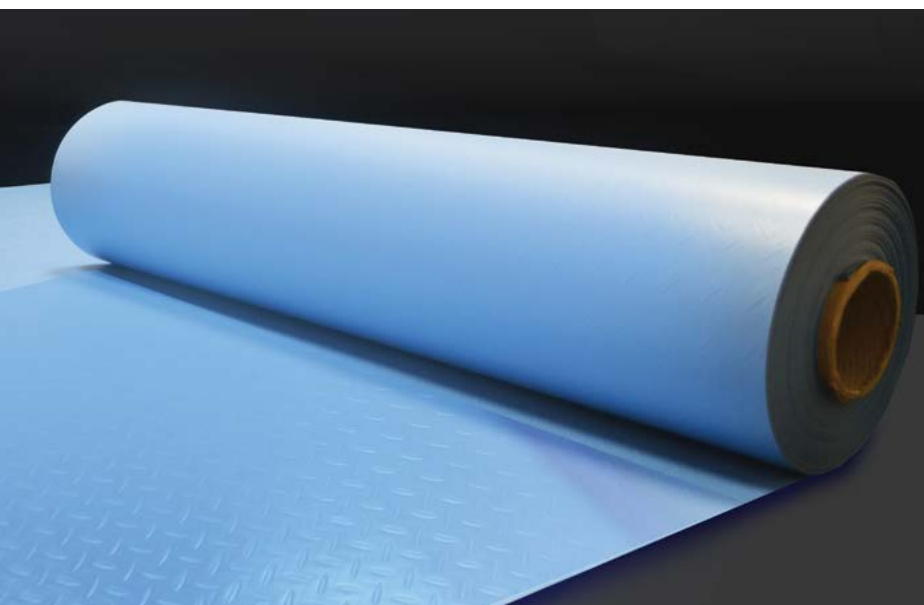

HEAVY DUTY PAPERBOARD

Builder Board is the most durable floor protection product on the market! This product replaces the need for large, bulky sheets of masonite and it rolls out fast and flat. With the use of **Liquid Shield™ technology**, Builder Board is spill proof. It defends against water, paint, mud and more! It's also 100% recyclable. This product can also be used to promote your business with custom printing! Surface Shields can print your logo directly on the board and the label will also be designed to reflect your brand.

Model # BLDLS38100
38" X 100' Roll

** May be imprinted with your logo and/or your company name
* Builder Board Seaming Tape Available - See Pg. 15*

COVER SHIELD

FLAME RETARDANT PROTECTION

Cover Shield provides a high level of fire retardant surface protection! Use this heavy-duty protective covering for a wide variety of industrial, medical, laboratory, nautical, military, and government applications. Cover Shield rolls out quickly, easily, and is reusable. In many cases, it can replace very expensive coverings like fire resistant plywood or door skins.

® PRO SHIELD

REUSABLE RUNNER

Pro Shield is a light weight rolled matting that protects floors, counters and other surfaces from damage and debris. Its felt material is highly absorbent and the rubber backing prevents liquids from soaking through. This highly dependable floor protection is widely used among the moving and construction industries. Protect hardwood, ceramic tile, carpet, marble, granite and more. It's also slip resistant which provides for a safer work environment.

® NEO SHIELD

NEOPRENE RUNNER

Keep your jobsite floors and counters safe from damage and debris! Neo Shield is the ultimate reusable surface protector. It rolls out flat and clings to floors and steps with a non-adhesive, slip resistant backing. Use Neo Shield to place tools and other items on in order to keep them clean and your floors protected.

® WATER SHIELD

WATER RESISTANT KRAFT PAPER

Protect hardwood, ceramic tile, travertine, marble and more with Water Shield. This heavy-duty protective paper is made from two very strong kraft papers laminated with a nylon scrim reinforcement. Water Shield does not tear under normal traffic and will prevent water and other liquids from soaking through and damaging floors. Utilize the benefits of this construction grade kraft paper at your next jobsite.

HARD SURFACE PROTECTION

PLASTI SHIELD

REUSABLE FLOOR AND WALL PROTECTION

This corrugated plastic sheeting is widely used in the building and construction industry. It is used as a lightweight alternative to masonite for floor and wall covering protection, counter-top protection, temporary window or door replacement, and temporary clean room applications. Plasti Shield is easily cut with a utility knife.

KRAFT SHIELD

CONSTRUCTION GRADE KRAFT PAPER

Kraft Shield is an excellent resource for professional contractors. Contractors rely on Kraft Shield to protect flooring, cabinets and counter tops from foot traffic, paint and spills without the fear of staining. It's 100% organic and is biodegradable making it an easy choice for environmentally conscious individuals.

MULTI SHIELD

ALL PURPOSE FLOOR PROTECTION

Multi Shield is the ultimate product used to protect hard floors and other surfaces from damage on the jobsite. It's breathable, waterproof and impact resistant! There is also an ultra-light adhesive bottom that will not leave a residue. This makes Multi Shield both slip and skid proof. It's also light weight making it easy to carry from jobsite to jobsite. When finished, just fold it in half and roll it up!

MULTI SURFACE 
PROTECTION FILM

Multi Surface Protection Film is a durable, self-adhering protective film for hard surfaces such as tile, marble, granite, vinyl, VCT, laminates and factory finished hardwood. It's not only great for floor protection, but it can be used to prevent damage to most counter tops, tubs, sinks, doors and more! Multi Surface Protection Film is ideal for remodeling, painting, moving, model home tours and parties. It is a true multipurpose product!

SURFACE SLED 
GLIDERS FOR HARD SURFACES

Glide heavy appliances, furniture and other objects smoothly and safely across hard surfaced floors with Surface Sleds! The extra soft bottom ensures that your floors will not be scratched or marked while using these reliable furniture sliders. The thick padding on top provides plenty of cushion for heavy objects. Surface Sleds for hard surfaces are perfect to use on hardwood floors, ceramic tile, vinyl and more.

DUST CONTAINMENT

DUST SHIELD PRO™ [®]

EXTENDABLE POLES

patent pending

Dust Shield PRO is the state-of-the-art system that makes constructing temporary walls to control dust and heat loss, quick, simple and affordable! The locking head ensures that screening will not slip out and the dent resistant poles, crafted of a heavy gauge aluminum, are designed to stand up to the toughest conditions. Once done, the Dust Shield PRO pole compacts for easy storage. They are available in 12 ft and 16 ft.

DUST CONTAINMENT KIT [®]

WALL SYSTEM

The Dust Containment Kit contains four Dust Shield Pro poles, two Zip N Close zippers and a heavy duty canvas bag. The Dust Shield Pro pole is the most stable pole available in the market. The zippers have an extremely aggressive adhesive on the back, ensuring that the zipper will not come off and that debris will not escape.

Dust Shield PRO Rack Holds:

- 9 Sets of 12' Poles
- 3 Sets of 16' Poles
- 12 Pks of 2.75" Zippers
- 12 Pks of 1.5" Zippers
- Demo Pole
- Instruction Card
- Signage

ZIP N CLOSE® SELF-ADHESIVE ZIPPERS

Create instant access to plastic enclosures and tarps with Zip N Close self adhesive zippers. These user friendly zippers can be applied in just minutes forming a secure zipper door. Simply peel off the backing paper and apply to the desired entry location. The user can then cut through the entire length of the zipper opening using a utility knife. It's that easy!

VENT MASK SELF-ADHESIVE FILM

Vent Mask is used for temporarily covering duct registers and return grills during leak testing or cleaning duct work. This product can also be used to keep dust and debris from entering floor or wall registers during construction or renovation work. Vent Mask comes perforated on a roll for easy application.

SHOE COVERS DIRT AND SCUFF PROTECTION

Protect flooring and footwear with Surface Shields brand shoe covers. Available in three different materials, these shoe covers provide protection at most jobsites. The plastic shoe covers are great for outside use and the cloth are perfect to protect flooring from dirt, scuffs and skids. The polyethylene coated shoe covers are skid resistant and waterproof.

*Retail Pack
Model # SC3001PB
10 Pairs of cloth covers*

** Plastic and poly-coated covers
are only available in bulk packs*

DUST CONTAINMENT

DUCT COVER SHIELD

SELF-ADHESIVE FILM

The ultimate film for duct protection. Duct Cover Shield is a self-adhering protective film for HVAC ducts. It has a very high adhesion that won't leave a residue on metal after removal. This durable film is very resistant to tears and punctures. Duct Cover Shield also helps to meet SMACNA guidelines for providing temporary closures on open ductwork.

CLEAN MAT

DUST REMOVAL MAT FOR HARD SURFACES

Clean Mat is a polyethylene film mat with a tacky surface that prevents dust and dirt from spreading while building or remodeling. Each mat contains 30 sheets which are tabbed for easy removal of each layer. Clean Mats are commonly placed outside of dust or lead containment areas, or used as a door mat when entering a building.

STEP N PEEL™

CLEAN MAT WITH BOARD

The Step N Peel Clean Mat is a polyethylene film mat with a tacky surface to remove dust and dirt from footwear. This unique product features a sturdy, reusable platform constructed of rigid polystyrene, available with a nonskid backing that holds it securely to surfaces such as carpeting, tile, concrete and more.

SPECIALTY PRODUCTS

WINDOW SHIELD SELF-ADHESIVE FILM

This self-adhesive window film protects against mortar stains, stucco, over sprays, residue and more.

Window Shield is easy to apply and will not leave a sticky residue. It's available in short, medium and long term protection, ranging from 45 days to 1 year.

Save time and money with this dependable window protection film!

Model # W2C24250
24" x 250' Roll

MARBLE SHIELD SELF-ADHESIVE FILM

Protect marble and cast polymer from chips and scratches with Marble Shield. It provides an excellent moisture barrier and resists ripping and tearing. This marble protection film rolls on smoothly and removes easily. It's the perfect film to protect expensive marble on the jobsite or for shipping purposes.

SPECIALTY PRODUCTS

TUB SHIELD

REUSABLE PROTECTION

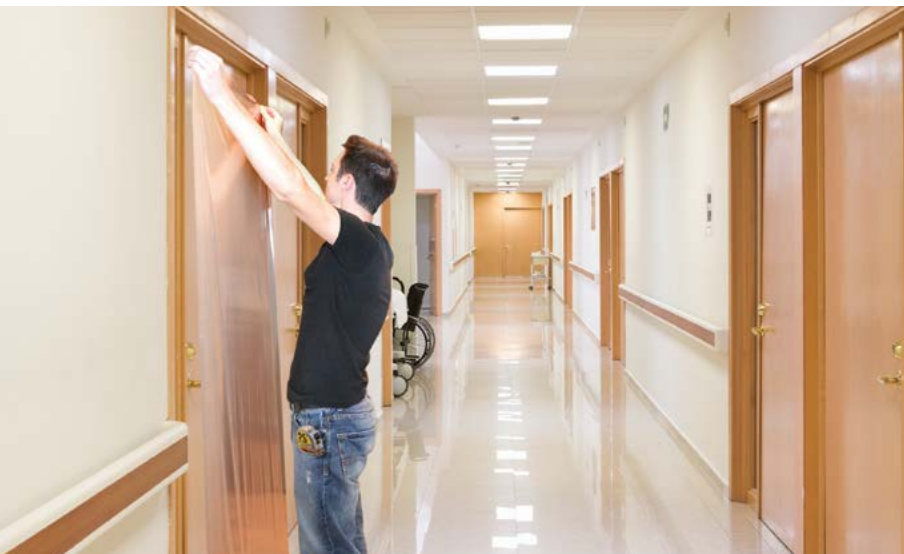

Tub Shield is a reusable, molded plastic barrier that slips over the tub surface, offering easy and quick protection. Tub Shield is lightweight yet durable. Avoid chips and scratches in bathtubs during construction, remodeling or painting with this time-saving product. Tub Shield fits one standard 5 foot tub.

MULTI-APPLICATOR

DURABLE FILM DISPENSER

The Surface Shields Multi-Applicator is the perfect tool for applying film quickly and easily. Use this protective film applicator for applying Carpet Shield, Multi Surface Protection Film or many other types of floor protection film. It's simple to load and will save you an incredible amount of time when covering large areas.

DOOR ARMOR

SELF-ADHERING FILM

Protect many doors for large construction projects with Door Armor. This heavy duty, co-extruded film resists and prevents marks and scratches. It has a unique resin that adheres to almost all smooth and lightly textured surfaces. Use it on factory finished metal and wood doors, composite, and even glass without the risk of adhesive residue. This door protection film is easy to apply and allows for fast application and removal.

® PLAN SHIELD
DOCUMENT PROTECTION

Plan Shield makes it easy to protect important documents that require protection on and off the jobsite. These large pouches open and close with a sliding zipper and are made with extremely thick vinyl ensuring that the document is safe inside.

® ENTRY SHIELD
DOOR FRAME PROTECTION

Entry Shield is a heavy-duty door jamb protection product that easily snaps around door frames. It's available in a thick paperboard or plastic material that defends against dents and scratches. Entry Shield fits most door casings and is available in 6 and 8 inch widths. Never spend money repairing door jambs again!
