

6280-HD HEAVY DUTY HYDRAULIC PANTHER® SELF-PROPELLED FLOOR SCRAPER

6280-HD Heavy Duty Hydraulic Panther® Self-Propelled Scraper
This self-propelled scraper will remove the worst of today's glued down floors, commercial carpet, wood, ceramic, gummy adhesives, VCT, solid vinyl, radial rubber tile, sheet rubber, indoor and outdoor sport surfaces, roofing material and much more...

FEATURES:

- Self-Propelled with instant forward and reverse
- The unique swivel head provides continuous contact with the floor
- Variable speed, 30 feet per minute
- Angle Attachments angle the cutting head or carbide shank to where the material comes up the easiest
- Cutting heads and carbide shanks swivel in the angle attachment to keep the blade in contact with the floor
- Quiet, overload protected commercial motor
- Easy to operate hand-controls for speed and safety
- Cleans floors better than any other machine its size
- Variety of Shank Attachments and blade sizes available
- Runs quietly, can be operated on any jobsite
- Wheels disengage for easy transportation
- Durable, steel plate stock outer housing
- Made in the USA
- Patent No. 6,135,566 - 6,587,931 - 6,609,762 - 601 30 811
- Other patents pending
- One year warranty on parts and labor

*Extended
Warranty Available*
