

The Arc-O-Pod is a high quality tripod that incorporates a variety of upgraded features over other brands at an affordable price. The Arc-O-Pod comes with a stability chain and carrying case. All of our confined space systems are stocked in regional warehouses for reduced shipping costs.

7 ft. aluminum tripod is lightweight and portable, easily set-up by one worker and can be transported from one location to another just as easy with the included bag.

Adjustable locking legs adjust quickly in increments of 2" for added safety and are kept in position with locking push pins and will span a 5½ ft diameter hole. Legs are non-slipping to eliminate handling difficulty while adjusting.

Complete with safety chain to prevent movement and safety shoes that incorporate a rubber sole for flat surfaces and spiked edges for slippery surfaces.

Heat treated cast aluminum head incorporates a built-in pulley system to route lifeline of mechanical device directly over opening. Also equipped with drop forged steel eyebolts for use as anchorage point for secondary or back-up system. Complete with quick-mount bracket for attachment of Guardian 3-Way Rescue Retrieval SRL for ease of use.

Additional mechanical devices can be mounted to tripod with optional bracket/pulleys. Rated working load is 350 lb. for work support and 310 lb. for fall arrest and can withstand up to 5,000 lb. of vertical pull.

Meets or exceeds ANSI Z359.1, ANSI A10.14 and OSHA strength requirements for anchorages (5,000 lb.).

ARC-O-POD RESCUE & RETRIEVAL
