

Simple Cleaning Solutions

Introducing the T0047-00 Janitor's Cart

Impact Product's new Janitor's Cart is an economical solution for your JanSan needs.

Save Time and Labor

- Built-in shelves and cutouts for cleaning supplies reduce trips to storage areas.
- Having tools readily available reduces physical strain and risk of injury.

Laundry and Waste Handling

- The janitor cart has a cover for laundry or trash bins that minimizes odors and maintains a tidy appearance.
- The front of the cart is designed to securely hold a standard 32-gallon trash can, making waste disposal quick and convenient

Designed for Safety and Durability

- High-quality construction ensures long-lasting performance.
- The cart is designed to promote good posture and reduce accidents.
